**Forensic Interviewer Funding Certification Document (FIFCD)**

To receive payment from the Georgia Crime Victims Compensation Program for conducting a forensic interview, when the interviewer is employed by your Agency/Organization, the Executive Director must certify the following:

- 1** The Crime Victims Compensation Program (CVCP) is the payor of last resort and as such any other funds received by your Agency/Organization for the expressed purpose of conducting forensic interviews where the results of the interview will be used for the identification of the interviewee's need must be exhausted before the CVCP funds can be paid.
- 2** The monies paid by the CVCP cannot supplant other funds, and as such the forensic interviewer cannot be paid by any other grant funding (local, state, or federal) for the same purpose.

Based on the information above, I certify that the Forensic Interviewer listed on this form does not receive any other grant funding (local, state, or federal) for conducting forensic interviews for the expressed purpose of recommending services for the victim interviewed.
